FILSVC	UADFILE Backup (Init & Save)	Curt/Nez Perce	Prompt for tape drive name, but default to "TC".
FXADYR	Fix Market Adjustment Year	Sue/Valley	NEW - add 2005 into the Market Adjustment Year field (MKADYR), if the year is currently blank. (The Revise made this adjustment and kicked out a report.)
FXTXFULL	List Paid in Full Taxes w Cost Owing	Lois/Latah	NEW - List parcels with tax marked as "paid in full", but still has cost owing. (The Revise ran this program and kicked out a report.)
INZTAP	Initialize Tape	Curt/Nez Perce	Prompt for tape drive name, but default to "TC".
LDB370	Roll Land Values into PM	Curt/Nez Perce	Get an error when try to reorganize the file.
LDO371	Land Entry/Update	Rhonda/Lemhi	1. If enter classification incorrectly, receive error and have to exit the program and reenter. Allow ability to clear error and continue. 2. Start screen does not say F7 to exit.
MHB004	Update Other MH Multipliers	Jody/Elmore	If you request "N" on all improvement codes or "N" on all other improvement codes, receive "Use code Invalid" if there are any blanks.
MSB001	Limits Processing	Robert/TSB	Need a version that does not ask for printer prompts. (Internal program)
MSB008	New Year Startup Copy Files	Gary/TSB	Logicals were built over 2003 - change to find 2004.
PAO001	Public Access Menu	Glenn/TSB	Program allows you to access menu without entering any user ID - change to always require a valid user ID.
PAO801	Public Access - Tax Anticipation Inquiry	Treas 272	Add a 3rd screen to accommodate the new Tax Anticipation history fields.
PAO910	Public Access - Tax Master Inquiry	Treas 272	For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero.

Program	Title	Reported By	Problem

PAO920	Public Access - Tax Due Inquiry	Treas 272	For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero.
PMB001	Parcel Number Summary	Rhonda/Lemhi	When select by "code/cat/rev year" and want both code area and review years, program is ignoring the specified review year - gives all years.
PMB001	Parcel Number Summary	Sue/Valley	Add ability to sort by zip code.
PMB005	Abstract - State Copy	Gary/Tax Policy	Send data to a file that can be downloaded to a PC and e-mailed to Gary Houde.
PMB005	Abstract - State Copy	HB453	Show the new Qualifying Investment Exemption as an exemption.
PMB006	Market Value by Tax District	Sandy/Twin Falls	Is not taking levy status 7 into consideration on Urban Renewal values.
PMB006	Market Value by Tax District	Janet/TSB	Verbiage change: say "Do you want to print the A2 or A2B that must be submitted to the STC" instead of "print the form".
PMB006	Market Value by Tax District	Sharene/Washington	Do not remove members from the limits file - are now required to select the annexation records.
PMB007	List/Count Parcels by Category	Sandy/TF	The manufactured housing description lists cat 46/49/65 - it does not list cat 48, but does add them in the totals. Change column title to include cat 48.
PMB009	Parcels by Selected Cat & Acres	Bonnie/Jerome	Add option to print 2" labels with Parcel #, Name, Address & Legal.
PMB012	List Hardship/CB/HO/Specials	Cathi/TSB	When running on "I" status parcels, if the category has CB market value and no "I" CB record exists, look for CB record on the matching "A" parcel. If the "A" parcel has a CB record, accumulate the values. The "I" will inherit the "A" CB so the values are needed to balance when running PMB081.
PMB012	List Hardship/CB/HO/Specials	Vicki/Nez Perce	Add option to print property address on specials listing.
PMB012	List Hardship/CB/HO/Specials	Jennifer/Teton	Require a response on the selection screen. (If no response, leaves a system error msg.)
PMB016	CB Prelim Reduction Roll	Curt/Nez Perce	Modify to prompt for tape drive name, but default to "TC".
PMB028	Special Codes Edit	SandyD/TSB	1. If none of the optional edits are selected, you do not get anything, not even a blank printout. 2. At times, the job stops running and gives an error.

PMB075	Special Charge/Acre for Cat 5	Curt/Nez Perce	Modify to prompt for tape drive name, but default to "TC".
PMB081	Inactive Roll	Mary/Twin Falls; Vivian/Blaine	1. Parcels that are copied to "I" are losing the "A" CB record when rolled to "A" - should be inheriting the "A" record. 2. List "A" parcels that will expire separate from "I" rolling to "A", etc. (Make it easier to see so they can be researched to see if they should go away.)
PMB081	Inactive Roll	Valley/Fremont/Blaine	Modify to look for selected parcel types for download to ProVal (UAPROVAL).
PMB083	Tax Code Area Update (In Mass)	Valley/Fremont/Blaine	Modify to look for selected parcel types for download to ProVal (UAPROVAL).
PMB086	Clear Specials, Bank Codes, Disal HO, Cas Loss	Janet/TSB	Market adjustments are not appearing under "other" in Parcel Master until you open the screen, then they appear. Should not have to open the screen for them to appear.
PMB086	Clear Specials, Bank Codes, Disal HO, Cas Loss	Sue/Valley; Glenda/Bingham	1. Prompt for year when clearing hardship & casualty loss. 2. Print a report listing the selected prompts, so you have a record of what selections were made when the program was run.
PMB092	Special Charge/Acre for Cat 5	Curt/Nez Perce	Modify to prompt for tape drive name, but default to "TC".
PMB095	PM Trend by Code Area	SandyD/TSB	1. When order by a specific code area, prompt response says it was ordered by all areas. 2. Not listing selected trend factors correctly in the printer prompts - but did trend correctly.
PMB106	State Copy of Market Value/Dist (embedded)	Sandy/Twin Falls	Is not taking levy status 7 into consideration on urban renewal values.
PMB106	State Copy of Market Value/Dist (embedded)	Gary/Tax Policy; Mary/Twin Falls	1. Send data to a file that can be downloaded to a PC and e-mailed to Gary Houde. 2. Report needs to show negative amounts. (Showed the amount, but not with a "-" sign.)
PMB106	State Copy of Market Value/Dist (embedded)	Sharene/Washington	Annexation Project - Add code to calculate and print the annexation value by district.
PMB111	Front End for PMB001	Sue/Valley	Add ability to sort by zip code.
PMB198	Category Sub-Class Abstract	Gary/Tax Policy	Send data to a file that can be downloaded to a PC and e-mailed to Gary Houde. (Modemed 7/04)

Program	Title	Reported By	Problem
PMB198	Category Sub-Class Abstract	Janet/TSB	Move the column heading for "Code" over to the left so that it lines up with the codes.
PMB218	List of Touched Parcels - Audit Trail	Geri/Bonneville	Make total field larger - increase from 9,0 to 12,0.
PMB256	New Construction Listing	Janet/TSB	1. Screen example of the tax code area needs to be 7 long instead of 5. 2. Add program number to the header on the screen.
PMM001	PMB001 Module	Rhonda	When select by "code/cat/rev year" and want both code area and review years, program is ignoring the specified review year - gives all years.
PMM062	ASNT Module	Janet/TSB; Sandy/Twin Falls	1. Add "comments" and "Hardship/Cas Loss". These fields were added to the Assessment Notice for 2004. 2. Use the current year levy file to pick up new taxing districts/code areas so they will print on the notice.
PMO040	Annexation Entry/Update	Sharene/Washington	NEW - Annexation Entry/Update.
PMO041	Annexation Inquiry	Sharene/Washington	NEW - Annexation Inquiry.
PMO062	Entry/Update Tax District Info (for Assess Notice)	Janet/TSB	1. Add ability to call the program stand-alone. (Need to prompt for year.) 2. Add printer prompts.
PMO063	Assessment Notice Inquiry	Sue/Valley; Janet/TSB	1. Give option to print/not print last year's taxes and this year's estimated taxes. 2. Display comments and hardship/cas loss if they were printed on the Assessment Notice.

PMO080	Parcel Master Entry/Update	Sharene/Washington; Vivian/Blaine	1. Add ability (like new construction) to access the annexation entry/update program (PMO040). 2. Update only shows "I" or "OC" - please show both like inquiry does. 3. Please make the HO Disallowed flag easier to see. (Moved "DS" directly over the "HO" and highlighted if applicable.) 4. Show "CM" if comments exist - not F18. (F18 = Comments should show with other F keys.)
PMO083	Misc Info E/U Window	Valley/Fremont/Blaine	Modify to look for selected parcel types for download to ProVal (UAPROVAL).
PMO084	Special Function E/U	Jenny/Boundary	After entering data, your only choice is an F3, which takes you completely out of the program. Please change. (Now, "enter" will update and take you back to where you can enter another parcel. F12 will cancel out and F3 will end program.)

Program	Title	Reported By	Problem
PMO085	CB Entry/Update	JoAn/Clearwater; Geri/Bonneville	Several counties had trouble changing the CB reduction amount on multiple parcels. (Created TXO085 to just make schedule changes.)
PMO090	Name E/U Window	Valley/Fremont/Blaine	Modify to look for selected parcel types for download to ProVal (UAPROVAL).

Program	Title	Reported By	Problem
TAB003	TA Records - Purge	Treas 272	Remove program. (Will no longer use this program since the records are now being saved in a TA history file.)
TAO670	Tax Anticipation E/U	Treas 272	1. Modify to accommodate new TA history fields. 2. Automatically fill in the next available TA received transaction #. 3. Reference # field is left justified - should be right justified. **If use as an alpha field, do NOT field exit - tab out of field. If use as a numeric, DO field exit. 4. If reprint a receipt, it gives the transaction a new number - for reprints, keep "old" receipt transaction #.
TAO671	Tax Anticipation Inquiry	Treas 272	1. Add a screen for the new TA history fields. 2. Create on-line help.
TXB009	Post TA to Tax Master	Treas 272	TA History Project: 1. Only process UATXAN00 records with zero in the date applied field. 2. Do not delete TA records as they are posted. 3. Modify fields for new TA records. 4. Allow program to handle overages.
TXB010	Tax Bills	Curt/Nez Perce	To make sure the correct land, imp, and PP values are being pulled, always pull the values from the category history file (UACHST00).
TXB010	Tax Bills	Treas 272	For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero.
TXB022	Apportionment	Wilma/Boundary	Chain to UATXDF00 to get the levy year and use appropriate members of the levy and fund files to correctly apportion. (For Deferred)
TXB023	Paid/Unpaid/Cancel List	MaryAnn/Lemhi	Program is printing the previous owners name rather than the current owner name. **The program is looking for a 2 digit answer. Need to enter "01" or 1 and field exit for the sort to work correctly.
TXB028	Paid Under Protest Listing	Pat/Fremont	NEW - need a program that will process Paid Under Protest similar to TXB022. Show name and amounts, district & county apportionment. Add abilty to sort by name and run on specific names.
TXB030	Utility Report by District	Matt/PAB	Output is not correct - county number is missing and the company number is not correct.
TXB032	Utilities - Restore from Tape	Janet/TSB	Have TXB032 automatically update the UR base value for the counties so they do not need to be entered by hand.
TXB040	Tax Reminder Forms/List	Wilma/Boundary	Has notices where the OC taxes are showing as primary and the RP taxes show as other delqs, but they are not delinquent.
TXB042	Warrant of Distraint Form/List	Marilyn/Gem	At request of 272 Comm, the Sheriff's commission was changed to 2%, but code still states that it should be .15% - what changed was the ability of the County Commissioners to adjust the fee charged.

Program	Title	Reported By	Problem
TXB053	Tax Exchange Data - Save	LyDao/1st Amer	For file UADSSEN, change the payment code field to "Bal due, half or full?" and use "F" if amount due is net tax charge, "H" if due is 1/2 of net tax charge, and "P" if amount due is anything else (partial, cancellations).
TXB053	Tax Exchange Data - Save	Curt/Nez Perce	Prompt for tape drive name, but default to "TC".

TXO044	Front End (Parcels w/ Same Core#)	Treas 272	For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero.
TXO050	Tax Due Inquiry	Treas 272; Cheryl/Bonner; Lois/Latah	1. For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero. 2. Change to include the tax month when reading the deferred tax file. 3. When a parcel has unpaid cost, but the tax is paid in full, the cost does not show on the Tax Due Inquiry screen. **Changes need to be made to TXO020 and prior data will need to be cleaned up.

Program	Title	Reported By	Problem
TXO061	On-line Tax Estimate	Treas 272	For TA History Project: when calculating TA amounts, only process UATXAN00 records with the date applied equal to zero.
TXO080	Demand Bill (Print)	Curt/Nez Perce	Allows you to enter a due date, but prints 12/20 instead. (Will now allow alternate date, instead of 12/20, as long as "Y" entered for subroll prompt.)
TXO085	CB Display Market & Schd Amt	Cathi/TSB	NEW - new PTR screen that only allows you to disallow/allow a CB and/or make changes to the schedule amount. Also shows the existing market value and original schedule amount for the parcel and any related parcels.
TXO101	Bank Code/Specials Inquiry	SandyD/TSB	1. F12 to cancel does not work. 2. Shows F1 for help, but there isn't any - add on-line help.
UAABCNTY	Abstract File	Gary/TSB	Enlarge accumulation fields to 11,0. Add field for QIE amount.
UAANCATG	ASNT Category/Value Data	Janet/TSB	Add a new field to hold hardship/cas loss market value to use for PMO063.
UAANEX00	Annexation File	Sharene/Washington	NEW - Annexation master file.
UAANPARC	Logical for ASNT for Decending Date	Janet/TSB	Add 2 new fields (comments and hardship/cas loss) so that information will print when using PMO063.
UAPVPF00	PV-Parcel Tyeps to Download to PV	Valley/Fremont/Baine	NEW - File to hold selected parcel types for download to ProVal.
UATMP198	Temp File for PP Sub Abstract	Gary H/Tax Policy	NEW - temporary file to store data for downloading the Abstract info to a PC in an excel format.
UATXAN00	Tax Anticipation File	272 Comm	Add new fields to allow for a "TA history". (Don't remove TA records, save them.)
UATXAN01	Core Number Logical	Treas 272	Recompile to recognize the new fields in UATXAN00 needed for a TA History File.
UATXAN02	Core Number Logical	Treas 272	Recompile to recognize the new fields in UATXAN00 needed for a TA History File.
UATXAN90	Logical Including PMSORT	Treas 272	Recompile to recognize the new fields in UATXAN00 needed for a TA History File.
YDB007	Calculate Yield Tax Charge	Wilma/Boundary	If a parcel is put into a new tax code area (TCA) for 2004, but there is still 2003 yield tax, it may not find the new TCA in the 2003 file. Currently when that happens, it goes to the 2004 TCA file. This is not correct - it needs to find the correct TCA for 2003 by looking at the 2003 Tax Master record and use that TCA.
YDB007	Calculate Yield Tax Charge	Nola/Adams	Default the status to "A" as you can only calculate tax records on active parcels.
YDB022	Apportionment	Glenn/TSB	TXB101 is conditioned to run based on current year. Remove this code since TXB101 (M&O report) should run everytime.

Program	Title	Reported By	Problem
YDB700	Yield Tax Credit	Karen/Benewah	Some were getting error msgs when tried to do a split/copy because sort members were not cleaned up correctly. (Happened when program ended abnormally.) Change to clean up sorts at start of program.
